Sign at Indoor Concession Area

- Girls and Boys Water Polo wrapped up their home seasons in early May. Coordinators Stacey Anderson and Elaine Tiscareno were outstanding – so grateful to both of them!
- Pool concession coordinators request that the area be properly wired for electricity. “Using extension cords outside the room is not ideal, leading to possible trips and falls over the cords. Nothing else can be plugged into the same outlet as the cooler or it causes the circuit to trip. If this could be accomplished, it would be great to get a microwave in the room, opening up opportunities to sell items such as popcorn, pretzels or individual nachos and cheese.”
- Softball Concessions requests “some type of wheeled cart/bag...to carry stuff from the (softball press box) building to the table and perhaps a small cooler to keep the drinks cold during the games.”
- Track & Field wrapped up its home season in early May. Special shout-out to Track Coordinator Julie Burke, parent Nila Borman, and Coach Raff for supporting both the high school and middle school meets this season! Many thanks to students Akeila Martin, Andres Perez, Brandon Porter, Brianna Demming, Brooklynne Wilson, Jake Battaglia, Lionel Grandison, Marshawn Grandison, Tyler Kirkwood, and Zeph Lema for helping out at the late April and early May meets! Note: MS Track Meet #4 on 4/21 was cancelled due to high winds that blew shingles off the roof of the concession building. The Little Red Ribbon MS Track Meet on 4/25 was cancelled due to heavy rain.
- IHSA Boys Tennis Sectionals will be held at WV this Friday and Saturday.
- The Band, Choir & Orchestra Parent Associations borrowed the indoor pizza warmer for concessions during the Fine Arts Festival.
- Spring Allocation Photos: Aquatics, Baseball, and Volleyball photos are done. Still need Softball, Track, and Weight Room. Soccer is questionable. Should probably postpone Wall of Fame video monitor until the Trophy Case area is complete.
- An Eagle Scout candidate is looking for a service project should we identify another need.

2015-2016 PLANNING
